## ▲ **Chili Party** ▲

Keith and Kathy Kallapos hosted this year's Chili Party just in time for the spring cherry blossoms. The Kallapos menagerie of 2 dogs, 3 turtles, numerous goldfish, the Union Jack and a rescued Pig, welcomed us for an afternoon of Chili tasting.

After a long winter apart, greetings and libations were the first order of the day. Steve and Nancy Woodall, Ruth Arnold, Butch and Judy Smith, John Padgett, Bill and Kathy Wemhoff, Bill and Karen Marshall, Martha Ludkte, Ken and Joyce Lawrence, Liz Ten Eyck, Dick and Cheryl Farwell, Amy Rothberg, Helen and Toby Fitzkee mixed and mingled as they set up chili and side dishes.

Early on, a few of the men disappeared to Keith's basement shop to view his project car, a 1958 1500 Roadster. It didn't take long for the whole party to descend into the shop to see Keith's very first car, "The Mistress", with her fenders on and a new paint job. There were oohhs and ahhs over the professional looking paint job and the final selection of the color, a custom British racing green, which even met with Karen Marshall's approval. The restoration has come along way since we saw it on last summer's project car tour. Clearly, there is more to be done. Keith seems to think that just a few marathon tech sessions with rotating shifts over long holiday weekends ought to finish it up nicely for GT-33 at Seven Springs this summer. Please call Keith to volunteer for a shift!!!! Long time club member Butch Smith thinks that GT-34 is a safer prospect. Will we see "The Mistress" in Seven Springs this July???

Yearly activities were on the agenda. The position of Drive Coordinator will be split with different members taking on each of the 4 proposed chapter drives. White Lightning, covered bridges and a brewery tour are themes for the drives. Kathy Kallapos and Amy Rothberg have volunteered to prepare a Drive Coordinator Check List to help our old and new coordinators with the task.

GT-33, July 14-18, 2008 at the Seven Springs Resort in Western PA will be a big NAMGAR event this summer. Several chapter members are planning to attend. It's not too late to sign up: <http://www.gt-33.com/mainpage.html>

The Marshall's have volunteered to host an "Abingdon New Year" on December 31, 2008. It's the perfect New Years celebration with the New Year arriving at 7:00 PM EST. That will give those with early turn in times and those with teenagers to celebrate the New Year and be home in time for bed or overseeing teenage revelers! What a great idea! Thanks Bill and Karen.

Now on to the main events!!! Chili tasting, trivia quiz, kitchen and parts box guessing, eating, drinking and catching up with each other!

This years chili entries were a mixed bag of flavors, from mild to 2 alarm with a white chicken chili rounding out the field. A tie for first place was broken by John Padgett's last minute vote. The much-surprised Nancy Woodall narrowly dethroned long time reigning chili champion Butch Smith. Butch was required to cook chili with one hand behind his back while blindfolded under the "BS Rules of Engagement" put forth by Chapter President Bill Marshall. Amid cries of "The King is dead, long live the Queen!" the coveted 1<sup>st</sup> place title was conveyed to Nancy, Butch snagged 2<sup>nd</sup> place and Kathy Wemhoff finished 3<sup>rd</sup>. Each winner received a bottle of wine to celebrate or commiserate!

Avid car buff?? Kathy Kallapos devised the Chili Party Cook Off, Take No Prisoners Trivia Quiz. A challenging quiz comprised of 30 questions and obscure facts designed to separate the "buffs" from the "obsessed." Butch and Judy Smith took first place, Dick and Cheryl Farwell 2<sup>nd</sup>, and John Padgett clinched 3<sup>rd</sup> place.

Equally mystifying was this years Kitchen box with an odd collection of kitchen and household items from the Kallapos kitchen. Since Kathy doesn't do much cooking, the box was interesting to say the least. First place winner was Helen Fitzkee, who single handedly (really!) beat out the competition. Karen Marshall came in 2<sup>nd</sup> and Liz Ten Eyck claimed 3<sup>rd</sup> place. What was that twisted piece of metal anyway???????

John Padgett brought his custom made MG logo box filled with assorted parts and pieces from his abundant collection of "A" parts. Keith Kallapos came in 1<sup>st</sup> place, claiming that he had been intimate with most of those parts in the past 3 years of his restoration. Dick Farwell took 2<sup>nd</sup> place with long time club member Butch Smith finishing 3<sup>rd</sup>.

The evening ended with much laughter and merriment as the prizes were awarded. Many thanks to Butch and Judy Smith for buying the prizes for this years games! (Is it just me or did Butch win a fair amount of those prizes???)

We are all looking forward to another year of fun events with old and new friends and hopefully, perfect top down weather! [*The editor would like to thank Keith Kallapos for this article.*]

## ▲ Annual Meeting Minutes ▲

The Mid-Atlantic Chapter of NAMGAR held their annual Chili Party and Business Meeting on March 29, 2008 at the home of Keith and Kathy Kallapos. We had a good turn out with 21 members attending and bringing lots of chili, appetizers, salads and desserts.

Bill Marshall, our Chairman, called the meeting to order and asked if there was anyone that wanted to make a change in the officers. No one volunteered and a motion was made by Kathy Kallapos and seconded by Joyce Lawrence that all officers stay the same. Our Officers for 2008 are:

Chairman - Bill Marshall

Vice Chairman - Liz Ten Eyck

Secretary - Treasurer - Martha Ludtke  
Executive Committee - Amy Rothberg  
Newsletter - Liz Ten Eyck  
Drive Coordinator (Events) - Keith & Kathy Kallapos

Martha Ludtke gave the Treasurer's Report that we have a balance of \$1,452.87 as of March 15, 2008. Despite our Nation's dismal financial forecast, our club remains strong and solvent with a healthy balance sheet. There was discussion about dues payment and how to handle "past due" members on our roster. Amy Rothberg suggested we have a tech session with a check list for winterizing our cars and a spring check list for dusting the cars off for spring. Ken Lawrence and Liz Ten Eyck are going to put a list together and decide on a place and time for a tech session. Liz Ten Eyck has a video of Bill Ludtke doing some work at a previous tech session that will be put in a format for viewing by interested club members. Ken Lawrence asked if anyone was interested in a HBLP Paint System he has and there were a couple of interested members. We all visited Keith's car project in his basement and it really looks great.

Bill Marshall passed out a schedule of proposed club activities for the year and some additional ones were added at the meeting. Amy Rothberg volunteered to plan a drive for May. In July, Bill and Karen Marshall will have a 4th of July get together. In August, Liz Ten Eyck will host a "ool Party and the Wemhoff's are planning a White Lighting Drive. For September, Liz Ten Eyck is planning a Covered Bridge Drive to lunch. In November, Steve and Nancy Woodall are planning a Pub Day get together and Keith and Kathy are planning a drive. In December, Bill and Karen Marshall would like to have an Abington New Year's Eve get together. Sounds like a lot of activities for 2008. [*The editor would like to thank Martha Ludtke for this article.*]

## ▲ MGCC Winter Romp ▲

For those who believe the driving season stretches beyond the accepted May through October months, we decided to join the MG Car Club for their annual *Winter Romp* held this year on March 9<sup>th</sup>. Brisk temperatures and a brisk wind kept the MGAs parked in their garages as only Chapter members Ruth Arnold and Bill Marshall ventured out to participate in the 150 mile scenic Drive to Lunch. While one brave MGCC member ventured out in his MG TC, sans side curtains even, Ruthie arrived in her 1974 MGB GT and Bill chose the warmth of his 1967 MGB GT for the event, figuring there must be a purpose to owning a 'winter car'.

Our rendezvous point for the drive was the Starbucks in Leesburg, Virginia. Leaving promptly at 10:00 am, the MGCC caravan headed north on Route 15 towards Lucketts, then selected a series of wonderful MG roads taking us through the villages of Waterford, Hillsboro and Round Hill to our first pit stop location of High's Hill Top store. Refreshed, and with Steve briefly thawed and ready to go forth in his TC once again, we headed west on Route 7 to Berryville where we turned onto Route 340 towards Boyce and our second pit/defrosting of Steve stop. With Steve once again just numb we continued on Route 340 past the famous White Post Restorations shop, also passing Dinosaur Land and crossing Interstate 81 as we entered into Stephens City. There we found Route 11, which took us to our lunch destination at the historic Wayside Inn in Middletown, Virginia.

After a wonderful Sunday Brunch, a few of our caravan, including our fridged TC driver, headed back towards 'The City' while the majority of us continued on course with a route through the George Washington National Forest to Luray and then east over the Blue Ridge to Sperryville. From there, now thoroughly lost but hanging close to our leader, a few jigs and jags took us to Flint Hill and onto our long-favorite MG road. Crest Mill Road runs from Flint Hill to I-66 near

Marshall and is about 15 miles of perfect driving conditions with a speed limit of 45 MPH interspaced with many 20 MPH twisties. Smooth pavement, one stop sign and light traffic make this road a perfect ending to any MG day. Once on Interstate 66 each was on their own as we headed towards home. While the temperatures were chilly this year, the drive would not have been uncomfortable in an MGA with top up and side curtains in place. We encourage everyone to think about expanding their driving season and joining us next year as the MG Car Club plans once again be the first club out of the starting blocks. [*The editor would like to thank Bill Marshall for this article.*]

## ▲ **Tech Session** ▲

It's time to put her back together! Keith Kallapos' first tech session will be on Sat. April 19th , 9AM till 5PM. Keith reports that he will be rebuilding the front and rear suspension - maybe even throw on some new brakes or wheel cylinders. Everything is apart and cleaned up so it just needs to go back on the frame - should be a minimum grease event but who knows? Stop by to help, watch, or just see an A transmission completely disassembled. Directions to the Kallapos house at 6703 Rock Fall Ct. Clifton. VA can be found in the March **Distributor** under Chili Party or you can call me at 703 830-5998 with any questions. Safety Fast!

## ▲ **MAY 17th Drive** ▲

Reserve Saturday, May 17, for the first club drive of the season, coordinated by Amy Rothberg. This year we will venture across the Potomac into Maryland. The details haven't been nailed down yet but the plan is to go on a fun "Observation" car rallye through the Patuxent Valley and, tentatively, end up at the new National Harbor.

## ▲ **MAY 18th Open House** ▲

Vintage Restorations Limited has relocated and John Tokar has invited our club members to attend an Open House at his new shop in Union Bridge, Maryland on Sunday, May 18<sup>th</sup>. This event will be held in conjunction with Depot Day, an annual activity sponsored by the town of Union Bridge. As part of this celebration they will be holding a classic car display on the grounds of Vintage Restorations Limited. Our club has been invited to display our cars and participate in the open house. Depot Day will include a BBQ Cook Off of chicken, ribs, pulled port, and pulled beef. There will be tours of the Train Museum, craft and food vendors, live entertainment and a 1/8 scale live steam locomotive on display. Looks like it will be an opportunity to have a great drive in the Maryland countryside, see John's new shop, and enjoy the charm of Yesterday in the town of Union Bridge. Vintage Restorations Limited is located at 52 North Main Street, Union Bridge, MD. 410-775-0500.
